Good afternoon,
Wondering if you can confirm the number issued to the media for the conf call? My audio tech is saying the number rings to a telemarketing outlet.

WHERE: Conference Dial-in Number: 1-866-299-2141

Hey Dell,

The EPA is gonna give an update today on the Gold King Mine release. Is there any way to roll on the conference call? it looks like Newspath brought it in yesterday. Thank you

David Gray, New Mexico, gray.david@epa.gov

Kelly Zito, San Francisco, zitto.kelly@epa.gov

COLORADO, DALLAS, SAN FRANCISCO – (August 9, 2015) EPA is providing daily updates for members of the media via conference call.

WHO: EPA Officials from Denver, Dallas and San Francisco (varies by date)

WHEN: Daily, 3 PM (Mountain, MT)

WHERE: Conference Dial-in Number: 1-866-299-2141

Conference Code: 21839184#

On Aug. 5 while investigating Gold King Mine in Colorado, EPA and State Division of Reclamation Mining and Safety triggered a large release of mine wastewater into Cement Creek. EPA is working closely with first responders and local and state officials to monitor water contaminated by the spill. The spill path flows through 3 of EPA's regions (Region 8 (Colorado/Utah & Southern Ute Tribe); Region 6 (New Mexico), and Region 9 (Navajo Nation). EPA has activated its Emergency Operations System to ensure coordinate on among its regions, laboratories and national program offices in Washington DC. EPA is closely coordinating with the officials in Colorado, New Mexico, Utah, Southern Ute Tribe and Navajo Nation.
